Winemaking

Organic Viticulture - Ecocert

Aging : 12 months in new French oak barrels.

Harvest : Hand picked in cases not exceeding 12 kg.

Winemaking : 15 days. Steeping of entire grape (carbonic) for the carignan, traditional vinification for the syrah.

Tasting

Appearance : The color is intense dark red.

Nose : The nose is very concentrated and intense and evokes red berry jam with moka notes.

Palate : In the mouth one finds substance, fullness and melting tannin.

Serving

Serving temperature : Between 15° and 18°.

Aging potential : 12 years.

Tasting comments : It's a very expressive wine, perfectly balance, opening on a final taste of balsamic, accompanied by garrigue and blond tobacco. A Complete wine.
