Winemaking

Organic Wine certified ECOCERT

Aging : Wine vats.

Harvest : Hand picked mid September.

Winemaking : Traditionally 21 days for the Grenache, Syrah and Cinsault, carbonic maceration for the Carignan.

Serving

Serving temperature : Between 15° and 18°

Aging potential : 5 years

Food and wine matching : Nice wine to be appreciated with friends without restraint. Taste with pork delicatessen from Aveyron, barbecues, roast chicken or leg of lamb with Thyme and rosemary.

Awards

GILBERT & GAILLARD INTERNATIONAL CHALLENGE 2020 : 89/100

"Concentrated cherry-red color with purple tints. Typical nose, mixing herbs, spices, pepper, black stone fruits. Mediterranean fragrances fill the palate, with a smoky, delicate mentholated touch. A southern pleasure to share".
